# Artisanal Hand-Print Indigo Patchwork

Hand Printing on textiles refers to the technique by which carved wooden blocks covered with dye are repeatedly pressed along a length of cloth to create patterns. The beginnings of the art of ornamenting textiles fabrics by the stamping or printing on of coloured designs are lost in antiquity.

Indian crafts make India unique in the world. Although, the numerous arts and crafts are slowly dying and should be renewed and brought back to life. The art of hand block printing is such that it can be used for making every piece of cloth, every design unique and different from others.

At Creative Artisans, your inspiration is converted to fabric.

From the shibori in Indigo we did, we worked and designed collage. We offer the finest Indigo collage with faux or real hand stitch / machine stitch.
